

# Slips and Trips Awareness e-learning

## Introduction

Our slips and trips awareness course will help learners understand why slips and trips happen, how to spot hazards before they cause harm, and what simple steps everyone can take to prevent them. Designed for both employers and employees, it builds confidence in assessing risks, reporting issues and contributing to a safer working environment for all.

As part of our modern learning approach, this qualification is available through **interactive e-learning**, designed to increase engagement, flexibility and learner confidence. Our digital platform supports active learning through scenario-based activities, short knowledge checks, multimedia content and tutor-supported forums. This enables learners to study in a way that suits their schedule and preferred learning style.

## Course Duration

We offer this as a flexible e-learning course, allowing delegates to study anytime, anywhere and at a pace that suits them.

Delegates will be given a three-month licence from first access to complete the course. Once this licence expires, delegates will be required to pay a fee to reactivate it and should contact our Customer Service Team for more information.

## Course Attendees

This course is suitable for employers and employees alike.

The e-learning format is particularly beneficial for:

- Learners who prefer flexible, self-directed study
- Busy professionals who need on-demand access
- Those who benefit from interactive content rather than traditional text-based learning
- Remote teams and organisations seeking consistent training across multiple sites

## Course Programme

On completion of this course learners should be able to:

- Identify common causes of slips and trips in the workplace
- State basic employer and employee duties in the UK
- List effective control measures for different environments
- Outline a simple risk assessment for slips and trips

## Training Certification and Assessment

Successful delegates will receive an SSG training certificate, which is valid for three years.
