Safety certification scheme

**SSIP**  
Registered Member

## What is SSG Assessed?

SSG Assessed is a comprehensive certification scheme designed to help suppliers demonstrate their commitment to health and safety compliance.

Our scheme is registered with Safety Schemes in Procurement (SSIP), which means that our assessment meets the core criteria.

## What is SSIP?

SSIP stands for Safety Schemes in Procurement, which is a set of health and safety assessment criteria used to evaluate the competence and performance of contractors and sub contractors. It is supported by the Health and Safety Executive (HSE).

# Management portal

You will be provided with a unique login to the SSG portal to access all contractors who have listed that they work on your sites.

Through this portal you will be able to view:

- Company trading name
- Industry / trade
- Description of works
- Postcode
- Number of direct employees
- Name, position, telephone number and email address of the person to contact regarding contracts
- Status of each application
- Renewal / expiry date

*We pride ourselves on our streamlined and efficient application process. Our online portal is easy to use and we offer step by step guidance to help your contractors quickly complete their applications.*

*Our application portal is compatible with mobile phones*
