# Eligible for ELCAS funding?

ELCAS is designed to encourage lifelong and continuous learning amongst Armed Forces personnel that are currently serving, or service leavers.

Applicants can claim up to 80% of course costs through ELCAS. Eligibility and your entitlement are dependent on length of service and leaving date.

SSG's ELCAS eligible courses provide nationally recognised qualifications in their relevant areas, thus maximising the qualifications earned – whilst utilising funding available.

Courses are delivered in a traditional classroom-based environment, distance learning or as a hybrid course.

For more information on our ELCAS funded courses, please call 01752 201616 or email [info@ssg.co.uk](mailto:info@ssg.co.uk).
